HISSING HOT.

The political cauldron is boiling, seething, spluttering, hissing. The venom which has been injected into this campaign is of so virulent a character that the air is fairly freighted with its polsonous vapors. The agony will soon be over, however, and men who have been drunk for months from political excitement will "sober up" and settle down to the common, ordinary affairs of every-day life.

We cater to the NEEDS of men, not their passions or prejudices, and have, therefore, throughout these exciting times managed to maintain our equilibrium. Of your numerous NEEDS you'll find an Overcoat or a Top Cost MOST needful just now. NO DIVORCE FOR MRS. SUESS

Court Will Not Accept the Major's

Confession of Guilt.

Judge Wants Proof of the Ad-

mitted Wrongdoing Which

Led to the Suit.

Mrs. Nellie V. Sness, who sned her hus-

a lengthy opinion, denied the application on the ground that confession of guit

insupported by other testimony is not suf

afleges that her hasband was devoted and incolgent to her up to two years before

Judge Hagner, in his opinion, held that here was not sufficient proof. He said hat no admission contained in the answer

that no admission contained in the answer of the defendant can be taken as proof of the facts charged, on the ground of their application, but the same shall be in all cases proved by other evidence. This law, he says, results from the fundamental principle that the public constitutes a third parity in every divorce suit. He also says, that no decree can be found on the

says that no decree can be found on the sole evidence of the confessions of the de-fendant out of court. He holds that if the

evidence of the confessor were alone suf-

ficient the marriage would be placed at will of the parties in frustration of the en-

Judge Hagner, in concluding, said: "Not-withstanding confessions are admissable and may in cases be evidence of the strong-

BABY CARRIAGE RUN DOWN.

Reckless Wheelman Crashed Into the Vehicle and Upset It.

Lyda Ross, a purse, was pushing a baby carriage across Pennsylvania avenue and I street northwest yesterday when a colored bicyclist whose name is unknown, ran into and upset the carriage. The

occupant, a young white infant, was hap pily uninjured, but a wheel of the vehicle

was demolished.

The wheelman did not stop to see what damage he had created, but quickly remounted and rode out Pennsylvania avenue.

Fell From Her Swing A little girl named Bessie Mason was ainfully burt about the back and shoulders esterday afternoon at the corner of Nine-

enth and I streets northwest. She

teenth and I streets northwest. She was on her way from school and stopped to play in the park at that corner with some companions. They were swinging on the chains that encompass the reservation and in some way Bessie had a fall backwards, striking heavily on the sidewalk.

A lady in a carriage witnessed the accident and removed the nttle one to her home on Twenty-first street, near E northwest.

The Treasury gold reserve at the close of business yesterday stood at \$118,272, 315. The day's withdrawals at New York were \$513,200. There was deposited \$266,000 gold in exchange for currency.

Every Garment Must Be Comptroller Bowler Decides Question of Storm Damages.

TO STRAIGHTEN A STEEPLE

Granted Permission to Put Up Rods and Guy Ropes—Building Permits Issued-Commissioners Order Street Improvements.

The Commissioners yesterday received a reply from Comptroller Bowler of the Treasury in regard to the District's responsibility for damage to the residence of John H. Dushane, which was demolished by the storm of September 29, while in the hands of the District authorities.

horities.
In accordance with their plans for opening and widening Sherman avenue, the Commissioners, through the engineer de-partment, had undertaken to remove Mr. Dushane's house back to a site in line. with the new street. The house was on

with the new street. The house was on blocks in transit on the night of the storm and was almost wholly destroyed.

A few days ago the Commissioners addressed a letter to Comptroller Bowler asking whether under the \$10,000 appropriation for improving the street and removing houses they would be allowed to pay for Mr. Dushane's house and the furniture in it.

Mr. Bowler says the appropriation is not available for the purpose, and if any

available for the purpose, and if any thing is to be paid to make good Mr. Dushane's loss it must be in accordance, with a decision of the courts or an act of Congress. The appropriation, Mr. Bowler says, must be used for grading and improving the street. No such use as suggested was ever intended when the bill was passed. Mr. Dushene's loss was about

The trustees of the Metropolitan Meth odist Church, at Four-and-a-half and i streets, yesterday received permission to put up rods and gay ropes in order to straighten the steeple of their building, which has been out of plant) since the storm a month ago.

BUILDING PERMITS. Mr. W. S. Thompson, the druggist at No. 703 Fifteenth street, is going to put a show window in his store. Mr. Thompa show window in his store, at Thompson yesterday took out a permit for the improvement and put the cost at \$1,500.

- Elizabeth Wolf obtained a permit to tailed a blacksmith shap near the school himse beside Mount Olivet Cemetery of the Bladenstory road. The cost will be

Building permits were issued as follows B. F. Saul, three two-story and cellar brick dwellings, Nos. 709, 711 and 713 Seventh street southeast, to cost \$5,800. A. B. Schubert, one story brick store and A. B. Schubert, one story discussed and dwelling. No. 1222 Four and a half street southwest, \$1,000; C. W. Edelm, one story frame, Nichelas avenue, Hilladale, \$1,200.

Lawrence A Latchford has been appeared a private on the police force in place of C. C. Smith, dismissed. The Commissioners yesterday approved

rders for street improvements as follows. That 610 feet of 21 inch sewer and three manboles be constructed in Whitney avenue between Fourteenth street and Holmead avenue; estimated cost, \$1,630 chargeable to appropriation for suburbar

That 100 feet of 10 inch sewer be con-structed in alley, square 520, under the permit system; estimated cost. \$140, one-half to be deposited by applicant. That pipe sever in Twenty-seventh street northwest, from 1 street 185 feet northward, be placed; estimated cost, 185 feet of 18-inch sever and one manhole, \$461, chargeable to appropriation for replacing distincted sewers.

That 20 feet of 15-inch sewer and one That 20 feet of 15-men sewer and one manhole be constructed at the northwest corner of Second and M streets southeast; estimated cost, \$75, chargeable to appropriation for replacing sewers.
Under the permit system, to lay cement sidewalk in front of lots 19 and 35, block

31 Columbia Heights; estimated cost, \$105 To lay cement sidewalk in front of 8 to 14 Q street northeast; estimated cost, CATCH BASINS.

That catch basins be constructed at the northeast corner of Sixth and D streets northeast; estimated cost, \$50, chargeable to appropriation for improvements and re pairs, northeast section; the previous order point is canceled. Also, that basins at northeast corner of Eighth and I streets northeast corner Ninth and I, and north west corner of Ninth and I southeast, be recor structed; estimated cost, \$205, chargeable o appropriation for improvements and re-pairs, southeast section.

That hydrant in Furdy's court be r

oved; estimated cost, \$5. That hydrant at Eleventh street and Maryland avenue southwest be abandoned estimated cost, \$5.

shading in the surface of two years before she thest the surface thin, and one night when he left from his wire follows. She saw him enter a house on C street the wavefied its actions through a window. Next morning she charged him with the offense and he admitted his guilt. Stimated cost, \$5.

That broken lamp-post on Pine street forthwest, between Grant and Park streets, between Grant and Park streets, see \$2.50, charge-tible to current appropriation for street The testimony was taken before R. Newton Donaldson and two clerks in the conston Office testified that Suess had told lighting. The order to set new granite curb on ach side of Rhode Island avenue, be-ween Seventeenth street and Connecticut order to set new granite curb or A letter was offered in evidence from uess to his wife, in which he again ad-ditted his guilt, and added that he would

avenue, under the provisions of the as sessment system, is hereby canceled. MARYLANDERS FEEL GOOD.

They Listen to Republican Speech

and Predictions. The Maryland Republican Club held argely attended and enthusiastic meetin last night at No. 339 Pennsylvania avenue In the absence of the president of the club, Mr. B. H. Warner, Mr. Trainor, the vice president, acted as chairman. entire evening was devoted to oratory of a congratulatory sort, closing up the club' a congraduatory sort, cosing up the cuto's campaign in Maryland with a kind of jubilee over the victory which they feel certain will result from next Tucsday's balloting. Prof. Alexander Christie drew a parallel

between the conditions now existent and the days of '61. He enumerated the many failures of the Democratic party to per-form its promises, and claimed as the best characteristic of the parcy that it always went to pieces under any great public

and mayin cases be evidence of the strong-est character, there must be accompanying evidence tending directly to prove the issue and to rebut the probability or chance of collusion."

He, therefore, refused the divorce as the case now stands, but will allow Mrs. Suess to show any new evidence to the court. At the close of Prof. Christie's speech arge number of ladies entered the ball and the chairman welcomed them in a neat ad-dress, and proposed three cheers for the ladies of Maryland. The response was en-Dr. A. P. Fardon followed with a shor

characteristic speech, predicting vitory in his own State. New Jersey, by 35,000 and appealing to Maryland to follow suit. Mr. Spencer, announced, amid applause, that the betting odds in Chacago, where Mr. Bryan is now speaking, were 4 to 1.
Mr. Needham, in his remarks, touched upon the financial points at issue, and deprecated the attack of Mr. Bryan and is party upon the Supreme Coart.

B. F. Crawshaw and Judge O. D. Barrett made short addresses. Upon the platform were many prominent citizens of Mary-land and the District.

DID NOT MOVE ON.

William Ray and His Push Cart Were Then Arrested. William Ray, a colored push-cart man, stopped too long in front of the Riggs Bank last night, and when Patrolman Fiathers asked him to move, he declined.

The officer placed him under arrest and marched him and his cart to the Twelf's street station house. William left \$5 collateral and will tell Judge Kimball to

street station house. William left \$5 collateral and will tell Judge Kimball in the police court this morning why he falled to move.

United States/Consul-Hurst, at Prague, reports to the State Department that the Austrian government is about to trible the duty on glucose, to effectually bar out the better and cheaper article from America. Prithin five months the United States shipped 2,640,000 pounds of this rommodity into Austria, paying a duty of \$2.90 for every 220 pounds.

F Street Excavations Recall an Odd Accident.

HOW A HORSE DISAPPEARED

Street Caved in With the Team and the Brute Vanished Into the Tunnel-Its Carcass Found in the River Two Days Afterward-Two Persons Narrowly Escaped Death.

our fine Evening Slippers The construction of the new trunk sewer will be found today on through F street is progressing so rapidly that it will shortly be carried across the old Fourteenth street sewer, built long before the city had attained its present metropolitan proportions. The fact recalls one of the oldest incidents that ever kappened to make your life as stranger than our Odds and Ends tables-and-if your size is here - you may secure something exira fine at a fraction of its value. pened to mark real life as stranger than Amongst Them Are:

At a time the sewer was being repaired, fully twenty years ago, Mr. Upton H. Ridenour, now a retired business man, hy-ing at No. 916 Fourteenth street north-Ladies' Finest Satin Slippers, west, kept two confectionery stores in the city, one on Pennsylvania avenue and the other on Fourteenth street. The delivery wagon from one of the stores had been sent out one evening just as the shades of night were descending. In the wagon with the driver rode one of Mr. Ridenour's store right. White, Pink or Blue. Lailes' French Bronze Ties Ladies' Glace Kid Sandals, Pink, Blue or Canary. girls.

THE STREET CAVED IN. Ladies' Patent Leather Ties, The young people were driving leisurely-along when the turn at the northeast corner of Fourteenth and F streets was Sandals and Black Kid Beadeo Sandal reached. The Metropolitan car tracks then, as now, traversed the thoroughfares at this spot. A few feet from the bend in the tracks repairs were in progress on the sewer and the ground all about was Men's and Boys' Patent Leather Oxford Ties and Pumps.

Not a pair of them loose and uncertain. worth less than \$2 and Immediately at the curve the ground the animal stepped upon it, and the next beneath the horse was seen to shake as som s over \$3. All of them to go-today only-at instant it gave way entirely. The horse struck out wildly with its front feet and 95c.

struck out withly with its front feet and reared and kicked, and the next instant disappeared.

The street was crowded at the time and fiving eyewitnesses of the scene give graphic accounts of the spectacle. Women fainted and men ran hither and thither with no evident purpose in view. Every instant it was expected to see the wigon and its occupants go down, and, worse of it was not known what would be the and its occupants go down, and, worse yet, it was not known what would be the extent of the awful cave in that had ap-parently just begun.

OCCUPANTS WERE RESCUED. KU KLUX IN ALEXANDRIA But the wagen remained where it was had lodged on the car tracks and the It had lodged on the car tracks and the driver and young lady were assisted to alight by a score of willing hands. The water rolled in a perfect sinice through the great sewer. Its roar could be heard above the noise of the people in the street.

Every one ran forward to see what had become of the horse. The poor animal had broken entirely rose from the wagon and for a few moments lodged on a gas main that passed above the sewer at this point. Its fall was only momentarily checked, however. The next instant by its own frantic efforts the beast dislodged itself and fell into the darkness below. Old Shoemaker Receives a Letter as own frantic efforts the beast disought itself and felt into the darkness below. The wate, and mud splashed high in the fair and the horse disappeared. At that time the sewer emptied at the foot of Fourteenth street into the old canal that city and opened a shor repair shop, at No. 406 King street, is greatly in fear of his life. Yesterday fleyhan applied to Chico of Police Webster for protection, exhibit-

raversed B street. WASHED INTO THE CANAL. WASHED INTO THE CANAL.

Two days after the remarkable incident the body of the horse was found floating in the canal below the mouth of the sewer. Mr. Ridenour afterward started to bring son against Richard Wahach, who was then mayor of the municipality. The merchant and the mayor were warm personal friends. The mayor advised the suit and said the city would then sue the contractors. An arbitration was finally agreed upon though, and Messrs, J. Rossell Burr and Harry Stuart, the latter still living, were appointed arbitrators. Mr. Ridenour was awarded \$500 damages for his loss.

The new sewer will probably cross above the old one. There is a possibility that startling developments may happen when the old sewer is reached, for it has been "S. Heyman: I feel it my duty, as a citizen or this commonweasts, to inform you that your the is in danger; there is big scenes in progress to overthrow the building in which occupie. It will be done in dayight and while you are at work Now, it this is not sufficient warning for a man, what is? You have been warned before by another of the K. K. K., and don't seem to been it. When the time expires that he gave you then the great trap will be set. We are organised and maye been for thing we add not seemed in the great trap will be set. We are organised and maye been for thing we did not succeed in. We do not want you in our midst, and we won't haveyou. K. K. K., or White Caps.

the old sewer is reached, for it has been informated that the masonry work was never of the best and the cement and mortar never thoroughly hardened. A number of people who saw the accident still live in the city to tell of it.

HAD WORD FROM BRYAN.

Lakeland Democrats Receive a Tele-

gram From the Candidate. The Lakeland Democratic Club met at years ago Charles Quail, thirteen years of age, was run over by a car on the elec-tric rullway and so badly injured that the ts quarters on Pennsylvania avenue last vening and heard campaign speeches by ts members. In the course of the event the following telegram from Mr. Bryan was received by Col. J. D. Pennybaler: "Chicago, Ill., Oct. 29.—Greetings of Lakeland Club received. Thanks for your nounced, compact for the railway company made a motion for a new trial, which was overruled, and an appeal to the supreme-court of Virginia was noted. Quait was encouragement. Illinois and the Middle west are ablaze with enthusiasm and in-dications point to an overwhelming vic-tory for free coinage and the rights of the people. W. J. BRYAN." painfully injured yesterday afternoon in a peculiar mainer. Mr. Gorman was wanking down market alley, when a colored man, running from an opposite direction, collided with him, knocking Mr. Gorman to the ground, and rendering him unconthe people. W. J. BRYAN."

The club enrolled seventy-three new nembers last night.
